### **Call for Papers**

#### **Introduction**

The 19th International Symposium on Computers in Education (SIIE) and the 8th CIED Meeting/ 3rd CIED International Meeting will be held together in Lisbon (Polytechnic Institute of Lisbon, School of Education), Portugal, from 9th to 11th November 2017.

The International Symposium on Computers in Education (SIIE) is an international forum for presenting, discussing and reflecting on research, development and practices in the field of Information and Communications Technology (ICT) in Education.

The previous editions were held alternately between Spain and Portugal, providing a space for researchers, educators and institutional representatives to exchange and debate ideas. SIIE has become a reference, particularly in the Ibero-American context.

Following the previous CIED Meetings, the 8th CIED Meeting/ 3rd CIED International Meeting aims at creating a space for reflection and debate on the role of ICT in formal, non-formal and informal education.

#### **Topics**

Authors are invited to submit papers on ICT in Education, with priority for the following topics:

- Methodologies of development, use and evaluation of ICT in education

- Development and evaluation of human-computer Interaction in education
- ICT in Teachers education
- Ubiquitous computing in education
- Gaming and simulations in education
- Robotics and education
